Description / informations générales

"At Brock we see the importance of developing "both sides of the brain", of seeking more than academic excellence. Our multi-disciplined approach to education helps students develop not just their rational and analytical side, but their personal and creative strengths.

Intellectual capacity is key to Canada's future, but so are our skills and values as community builders and leaders."

The Brock campus offers a fully equipped fitness centre and indoor running track, Olympic-sized swimming pool, excellent library facilities, computer labs and much more. There are clubs for international students that organize social events as well as many other student-run activities.

The Niagara region is one of the major tourist areas in Canada and is a short drive from the Canada-US border. St. Catharines is 15 minutes from Niagara Falls, and about an hour from downtown Toronto. There are many sights to see and things to do.

Logement

On Campus Accommodation

On campus residence is usually available for all exchange students who apply early enough. Exchange students generally prefer to live in either Gateway Suites (reserved for international students) or the Quarry View residence where cooking facilities are available and there is no requirement to purchase a pre-paid meal plan.

Note: Residence fees posted on the web site are for a full year – fees for students staying for one semester will be half of the amount posted. Estimated costs: \$850-900 per month.

Off Campus Accommodation

Off-campus housing is available and the Off-Campus Living Office can assist students in finding a suitable place to stay. It is less expensive than on-campus residence but more difficult to find landlords willing to rent to students for 4 months. Estimated rent costs: \$500-800CDN/month. Some Brock students sublet their apartments to exchange students for one semester.
